

# Welcome

---

Dear New Member,

Welcome to Hampton Lake! We are pleased that you have chosen to become Members of the Lowcountry's premier private freshwater lake community. In an effort to better serve you, we have enclosed a packet of materials that relate to your Membership.

The information you provide in the New Member Profile will allow us to create and coordinate events and activities that are suited especially for you. We will also be able to keep you connected through club activities, mailings and other important information.

We ask that you please complete and provide the following items and return them to us in the self-addressed envelope provided:

1. New Member Profile (If you have already filled this out, please disregard.)
2. Signed Rules and Regulations Acknowledgement form

Our staff is eager to meet you in person and looks forward to introducing you to all our exceptional amenities. In fact, our Lakeside Amenity Village was named "Best Club in America" and is located within the "Best Community in America" (awarded by the National Association of Home Builders)!

Briefly, I would like to introduce our staff:

Catherine Guscio is our Member Relations Director. She handles our new Member orientation, is responsible for Club communication to the Owners and assists with community events. Catherine is also your main contact for questions about the Club amenities and Membership details.

Kimberly Berg is an Accounting Assistant who manages Member accounts, issuing of Membership statements and billing. If you have any questions regarding your Member account, she will be glad to help you.

Rachael Malo is our Director of Events. She develops and runs our Member activity programs - because it's all about the water... and having fun in and around it! If you would like to hold a special event at Hampton Lake she is your contact.

Skip Pratt is our Tackle Box Manager. He is our retail buyer and oversees products and presentation at The Tackle Box. Skip also manages the specialty coffee service.

Michael Smith is our Boathouse Coordinator. He is in charge of Hampton Lake's fishing and boating activities, as well as guided boat, kayak and nature tours and boat rentals through The Tackle Box. He can also assist with Outpost Campground reservations.

Avern Montequé is our lead Maintenance Technician. He manages all service contracts and is proactive with all maintenance and repairs in Lakeside Amenity Village and common areas.

I hope you've had the opportunity to enjoy Backwater Bill's restaurant and the Tower Bar. Backwater Bill's is now open for lunch Wednesday through Sunday and dinner Friday and Saturday. Dinner Specials are also offered Friday and Saturdays in addition to the regular a la carte dinner menu.

Fitness Central continues to be a big hit with our Members and their guests. Members are enjoying the one-on-one instruction with our first-class instructors and our Spa team is keeping everyone rejuvenated and refreshed with specialty massages, facials, pedicures, manicures and pilates classes.

Our Members' website is an available resource for Club information! Visit [www.myhamptonlake.com](http://www.myhamptonlake.com) and click on "Member Login". Please see the attached document that walks you through creating your new online Member account. The site includes updates on Club events, Member activities, and your Member account statements.

Your vehicle decals will be available at the Gatehouse as soon as we receive your completed decal form including a copy of your vehicle registration(s). RFID decals are also available for entry at all three gates and are issued at The Tackle Box Tues. through Sat. 9:30am-4pm. All property Owners receive one complimentary RFID decal and additional decals are available for purchase.

We hope you enjoy Hampton Lake! As always, please let us know how we may be of service and assistance to you.

c/o Hampton Lake Processing Center  
P.O. Box 93873

### **Online Payment Options**

HLCA is now able to offer additional payment methods for homeowners to pay their account balances. Please visit the HLCA website at [myhamptonlake.com](http://myhamptonlake.com) for these payment options. Select the Statement menu and click on "Pay Now". You will be directed to the payment website. Once you have created an account, you will have the following options for payment:

**eCheck/ACH Payment** This payment option allows you to create a direct debit to your checking account. You can choose this method to make a one-time payment, or recurring payments. Select "One time ePayment" and follow the instructions on the screen. The screen will give you the option of making a one-time payment or making it a recurring payment. Recurring direct debit payments allow members to determine the date of the debit; AAB will send a reminder email prior to the debit. There is no fee to use this service. If you are using this service, enter 7217 for the Management Company ID and 000001 for the Association ID. Enter your member number for the Unit Account Number. (Although Hampton Lake does not use a management company, 7217 is the ID that the bank uses to identify Hampton Lake's account.)

**Credit card Payments** Members may use a credit card to make their payments. A service fee is charged for credit card payments.

If you have questions regarding your account, the accounting office is open Monday through Friday from 10:00am to 5:00pm. Dear New and Current HL Residents:

We are a gated community with a Gatehouse Staff on hand 24 hours a day / 7 days a week which monitor and manage entry into the community. Our Hampton Lake Security Supervisors and staff will be glad to assist you with guest passes, your Hampton Lake car decals and any questions you may have.

The Gatehouse phone number is (843) 836-7490 and the fax number is (843) 836-7491. The email address is [gatehouse@hamptonlakeclub.com](mailto:gatehouse@hamptonlakeclub.com). If you are unable to reach the Gatehouse by the main phone number or in the event the lines are down, the following alternative cell phone numbers may be used to contact a Security officer to assist you and/or leave a message then he or she will follow up with you: (843) 505-6769 and (843) 505-7676.

**In an emergency**, such as calling for police, an ambulance, or to report a fire, **call 911**. Do not call the Gatehouse for emergencies.

*If you observe something that is not in keeping with our community rules, the sooner you contact us, the sooner we can address it. It is helpful to submit a violation form as well to Gail Garbett, our ARB Director via email at [ggarbett@hamptonlakeclub.com](mailto:ggarbett@hamptonlakeclub.com). The online form is available on the member website, [www.myhamptonlake.com](http://www.myhamptonlake.com) in the Security Tab under Security Documents and Forms list.*

The following is some helpful general information regarding vehicle passes and access to your property or home.

**1. Owner Vehicle Decals:** There is no fee for these decals. It is not necessary for the vehicle to be registered in SC if you are the active owner or renter on the lease. The registration needs to be current in the state in which it is registered. Decals may also be issued to persons residing in the community with SC registration and SC Driver's License with a Hampton Lake street address. To obtain your HL gate decal, you will need to provide the following to the Gatehouse Staff or to staff at the Tackle Box:

a. The Hampton Lake Vehicle Decal Form (available at the Gatehouse, provided in New Member Packets & the Member Website, [www.myhamptonlake.com](http://www.myhamptonlake.com))

b. A copy of your current vehicle registration

*\*Residential decals are renewed annually every January. The Tackle Box staff issues the decals during this time to alleviate the gate traffic. The Gatehouse renews contractor decals during this time.*

**2. RFID Car Decals:** RFID decals are electronic decals that **activate gate electronics for entry** at all three gates. Once you have obtained the front windshield gate decal, you may obtain an RFID decal at The Tackle Box. The hours to obtain car decals are Tuesday through Saturday from 10am to 4pm. Please call the Tackle Box with any questions, (843) 836-7458.

There are two types of RFID car decals, one that affixes to the inside of the windshield and one that is placed on the headlight. There is a discount per property for the first decal. The first windshield style decal is free of charge. If the headlight decal is needed or preferred, the first one is \$10. Additional decals are \$25 or \$35 respectively. **You must have a HL gate decal in order to obtain the RFID decal.** The RFID decal system is connected to your member account information, particularly your phone number, email address and street address. Make sure to keep your information updated on the member website or notify our Accounting Office.

### 3. Gate Entry Hours:

- **18 Flat Creek Drive Gate:** Flat Creek Drive gate (new gate) is staffed 24 hours a day/ 7 days a week. There is a right-hand entry lane at this gate for member access only in which the RFID decal activates the automatic arm in this lane.
- **20 Hampton Lake Drive Gate:** Hampton Lake Drive gate (original gate) is staffed Monday through Saturday from 7am to 7pm. Before or after this time, the RFID decal is needed for entry. Guests therefore will need to enter via the Flat Creek Drive Gate during the hours the gate is not staffed, 7pm to 7am and on Sundays. An RFID decal is not needed to exit this gate after hours.
- **Old Miller Road Gate (also referred to as South or Back Gate)** on Hampton Lake Lane: When entering the community from the Hampton Lake Drive gate, this gate is the first left past the Dog Park. This gate leads to Old Miller Road then to Highway 46. This gate is all electronic and **for member use only**. The RFID decal is needed for entry into the community from Old Miller Road. The gate will automatically open for all cars to exit the community, an RFID is not needed to exit.

4. **Guest Car Passes:** Passes should be created by utilizing the ABDi Gate Access System. The system allows you to arrange for passes and manage your guest list. More about the ABDi software is included next, in #5. You may also email or call the gatehouse directly to arrange for passes in addition to using this software. When arranging for a pass, you will need to provide your last name and street address and the name of your guest and the dates in which the pass will be needed. Passes can be arranged for a maximum of 30 days. The pass will be ready for pick up upon arrival at one of our staffed gates, Hampton Lake Drive or Flat Creek Drive.

5. **ABDi GateAccess Website and Smartphone App:** The Gate Access app allows you to control your guest list from any online computer or your smartphone in real time. For iPhones/iPads, visit the App Store and search for "ABDi GateAccess". For Android devices, visit the Google Play Store and search for "ABDi GateAccess". A User Name and Password (PIN) to log on will be provided to you once your membership account is activated. Catherine Guscio, Member Director will provide this information for you.

More details and step by step guide to the ABDi GateAccess system are included in this packet.

6. **Moving Company Passes:** Call or email the gatehouse (provide your last name, street address) with dates and estimated times of move in / move out and they will generate passes as needed.

Guidelines for parking and timing of moving companies will also be explained. Movers will not be required to pay a fee

**7. Utility Companies:** (i.e. Gas, Palmetto Electric, Hargray/Cable, Direct TV) and emergency utility vehicles have commercial decals; therefore, you do not need to email/call in passes for them.

**8. Deliveries (Appliances, Home Depot, Lowes, Furniture, or Landscape deliveries):** Delivery providers will need either a commercial decal or pay a fee per delivery. The amount per delivery will be based on the amount wheels the vehicles have, 4 wheels/\$15 and so on, the same rates established for commercial daily fees. The fee can be paid currently at the Gatehouse with cash, check or member charge. HL owner-involved deliveries (members driving U-Haul or hourly rentals from Home Depot, etc.) will not be required to pay a fee.

**9. Other Service Provider's Passes:** Service providers such as contractors and landscapers will need a Hampton Lake Commercial Decal to enter or pay the daily fee. Annual Commercial Decal pricing: 4 wheels \$250 a year/\$15 a day, 6 wheels \$350/\$30 a day, 8 wheels \$475 a year /\$45 a day. In July the annual decal rates are reduced by 50% through the end of December.

**10. Domestic help:** Housekeepers, Property Management may obtain a Domestic Pass Annually for \$85. In July, this rate is reduced by 50% to \$42.50. The daily pass rate is \$15.

**11. Leave of Absence Form:** When leaving your home for an extended period of time, there is a form you may submit to us, or you can note your leave on the ABDi GateAccess App/Website. Keeping us informed of your departure will alert the guard to periodically drive by and check on your home for any unusual activity.

We look forward to assisting you, your family and your guests. If you have any questions, please do not hesitate to contact us, we will be glad to assist you.

Sincerely,

The Gatehouse Team

January 6, 2021

Dear Owner,

The Hampton Lake Community Association is pleased to announce the launch of the ABDi Gate Access website and smartphone app starting on **Friday, January 8, 2021**.

The Gate Access app will allow you to control your guest list from any online computer or your smartphone in real time. For iPhones/iPads, visit the App Store and search for "ABDi GateAccess". For Android devices, visit the Google Play Store and search for "ABDi GateAccess".

Below is your User Name and Password (PIN) to log on using either your computer or smartphone.

**Log In to the website ([www.gateaccess.net](http://www.gateaccess.net)) or App**

**Our Community Code is "HLSC"**

**Your User Name:**

**Your Password:**

Once logged on, please review and verify all your contact information. If any information needs to be updated, please update it promptly within the Contact Info tab. Your guest list, emergency contact and pet information can be updated at your leisure.

With this new system, you can opt in to receive notifications of "guest arrivals." To update these settings, visit the Contact Information tab if using your computer, or select Notification Settings if using your smartphone. Notifications can be received via text message and/or email.

On January 8th, our gatehouse team will begin using this system to verify and log guests. Every guest is verified on your list for each entry. Guest passes are created and stored under the Guest List tab. Passes can be created for a maximum of 30 days. The activation of this system will initiate the planned operational hours at the Hampton Lake Drive Gate.

Beginning January 11<sup>th</sup>, the member-only arm at the Flat Creek Drive Gate will be RFID activated and the Hampton Lake Drive Gate will be manned from 7am to 7pm, Monday through Saturday; all other times will be RFID member only access.

When you create a pass, the system will automatically transmit the information to the gatehouse. Once you save your guest pass, you will be prompted to send a "FastAccess Pass" to your guest. The FastAccess Pass generates a unique QR Code for your guest. Upon your guests' arrival to the gate, they simply need to show the QR Code to the guard to scan and retrieve their pass. If they do not have the QR Code, they may provide their name to the guard to locate the pass.

For step-by-step instructions for generating a guest pass, please see below.

Members who are unable to use the system can call or email our gatehouse team at (843) 836-7490 to authorize a guest or contractor.

We hope you find these benefits useful and convenient. We look forward to the efficiencies and added layer of entry control the system will provide owners and staff.

If you have any questions concerning the new Gate Access System, please do not hesitate to contact Rachael Malo at (843) 836-7457 or [rmalo@hamptonlakeclub.com](mailto:rmalo@hamptonlakeclub.com)

Sincerely,

Bryan Rhame  
General Manager

## Reminder ~ Trash Removal Guidelines

We as a community pride ourselves on our clean landscaping, beautifully appointed homes, and pristine lake. In an effort to keep Hampton Lake beautiful, here are a few important things to remember regarding your trash:

1. Regular trash pick-up day is every Tuesday. Recyclable trash pick-up day is every other Tuesday. The recycling trash schedule may be found at the following website link: <https://www.townofbluffton.sc.gov/DocumentCenter/View/377/Trash-and-Recycling-Schedule-PDF>
2. Your trash may be placed at your curb no earlier than Monday evening and should be removed no later than Tuesday evening. \*Do not place the trash cans on the street side of the curb, rather they must be placed on the grass side and off the street completely.
3. It is important to remember that all trash must be secure so it is not affected by any outside elements. *There are occurrences with trash being blown out of the cans and recycle bins which causes litter within the Community and in the Lake.*
4. Be sure not to overload your trash can. The lid should be able to close so that unwelcomed birds and animals may not get to the trash and spread it onto the road. If you need an additional trash can or recycle bin, please call Waste Management, at 888.964.9730.
5. All trash cans and recycle bins must be stored so they are not visible from the street.
6. Waste Management observes the following holidays listed below. When your collection falls on or after one of these holidays, your service will be delayed one day during that week only. Friday services will be performed on Saturday.

New Year's Day  
Thanksgiving

Memorial Day  
Christmas

Independence Day   Labor Day

Schedule changes are posted on the following website link:

Dear Member,

We hope you have had the chance to experience Hampton Lake, its crystal water and the award-winning Lakeside Amenity Village. Now is an ideal time to take advantage of all of the wonderful amenities and programs that are available to you.

At the time you close on your property or activate your membership prior to closing by signing an Annual Amenity Access License Agreement, you are issued a "Member" account. This account is for your convenience when making purchases or paying for services at the Hampton Lake Lakeside Amenity Village.

Charges made to your account for goods and services are billed on a monthly basis. Your dues are also billed on this statement according to the billing option that you have chosen. These options are monthly, bi-monthly, quarterly, semi-annually and annually. All payments are due by the end of the month that you receive your statement (statement dated 2/28/XX is due by 3/31/XX).

In an effort to keep Hampton Lake Community in a healthy financial situation, we have established guidelines to encourage our Members to keep their accounts current. We will review extenuating circumstances on a case by case basis. The collection procedures are as follows:

<b>30 days past due</b>	Reminder message printed on the statement
<b>60 days past due</b>	Message printed on the statement Letter mailed stating implications of further delay in payment 1.5% charged on past due balance
<b>90 days past due</b>	Message printed on the statement Letter mailed stating implications, Certified/Return Receipt Privileges suspended 1.5% charged on past due balance
<b>120 days past due</b>	Message printed on the statement 1.5% charged on past due balance Attorney contacted to begin property lien process (at the Member's expense)

If you have questions regarding your account, the accounting office is open Monday through Friday from 10:00am to 5:00pm. Please stop by The Fitness Center at Lakeside Village, give Nicole a call at (843) 836.7496 or e-mail her at [nevans@hamptonlakeclub.com](mailto:nevans@hamptonlakeclub.com).

Best Regards,

Brenda Matthews

"Living in Hampton Lake and joining Hampton Hall Club was the perfect choice. We can hop in our golf cart, take the back gate, and be on the driving range in about seven minutes. The Pete Dye course at Hampton Hall is well maintained, very playable tee to green, and we always play in less than 4 hours and 15 minutes. On top of that, the members at Hampton Hall Club are welcoming and we have developed many great friendships both on and off the course through the variety of men's, women's and mixed groups, tournaments and social events.

If you enjoy quality golf at a tremendous value and a great pace, we recommend you consider golf membership at Hampton Hall Club."
